

Brand Voice and Transcreation Pack

Original commercial sample for campaign language, naming and bilingual brand tone.

Document type	Original brand-language and transcreation sample
Use	Campaigns, naming checks, social posts, product copy and brand voice systems
Commercial status	Quote-only; creative language work varies by scope and revision rounds
Languages	Spanish and English base; additional target languages by quote.

Brand premise

A boutique learning platform wants a bilingual tone that feels precise, warm and trustworthy. The brand should avoid generic motivational phrases and instead use language that suggests clarity, discipline and calm progress.

Voice principles

Principle	Use	Avoid
Precise	Short claims with concrete outcomes.	Vague excellence language.
Warm	Human, direct and respectful wording.	Overly casual slang.
Quietly premium	Measured confidence and clean structure.	Luxury cliches or inflated promises.
Useful	Copy that helps the reader decide.	Decorative phrases without action.

Transcreation samples

Intent	English option	Spanish option
Primary tagline	Precision across languages.	Precisión entre idiomas.
CTA	Send the scope.	Enviar el alcance.
Trust line	Clear terms before work begins.	Condiciones claras antes de iniciar.
Campaign line	Make your text travel without losing its voice.	Haz que tu texto viaje sin perder su voz.

Quote variables

- Number of naming or tagline options requested.
- Languages and markets to compare.
- Revision rounds and tone exploration depth.
- Whether the project includes glossary, rationale or presentation deck notes.
